

10 Rokawneck 1958

A large, red-tinted photograph occupies the right two-thirds of the page. It depicts a group of students in front of a school building. In the foreground, a young man with glasses and a dark shirt holds an open book. Behind him, other students are visible, some wearing caps with a 'W' logo. The school building has a prominent gabled roof and a sign with the letters 'W' and 'O'.

This Is Your Life

...as we proudly dedicate the 1958 Roughneck to you, The Football Squad and Coaches. In this 1957 season you have brought honor and fame to White Oak, claiming for the school its first State Crown in Football. Although this is a Co-Championship shared with the Mart Panthers we are deeply appreciative of the hard work and enthusiastic effort which made this great accomplishment possible. May this dedication be our thanks for a job well done as your State Co-Championship is recorded in the annals of White Oak School.

This Is Your Life

Busy minds, quick fingers, eager workers we're told
Turn the pages as your LIFE we behold.
Activities can give to all some skill
As a reward for pleasant hours they fill.

...as the days are filled with **ACTIVITIES**

Vacations are over

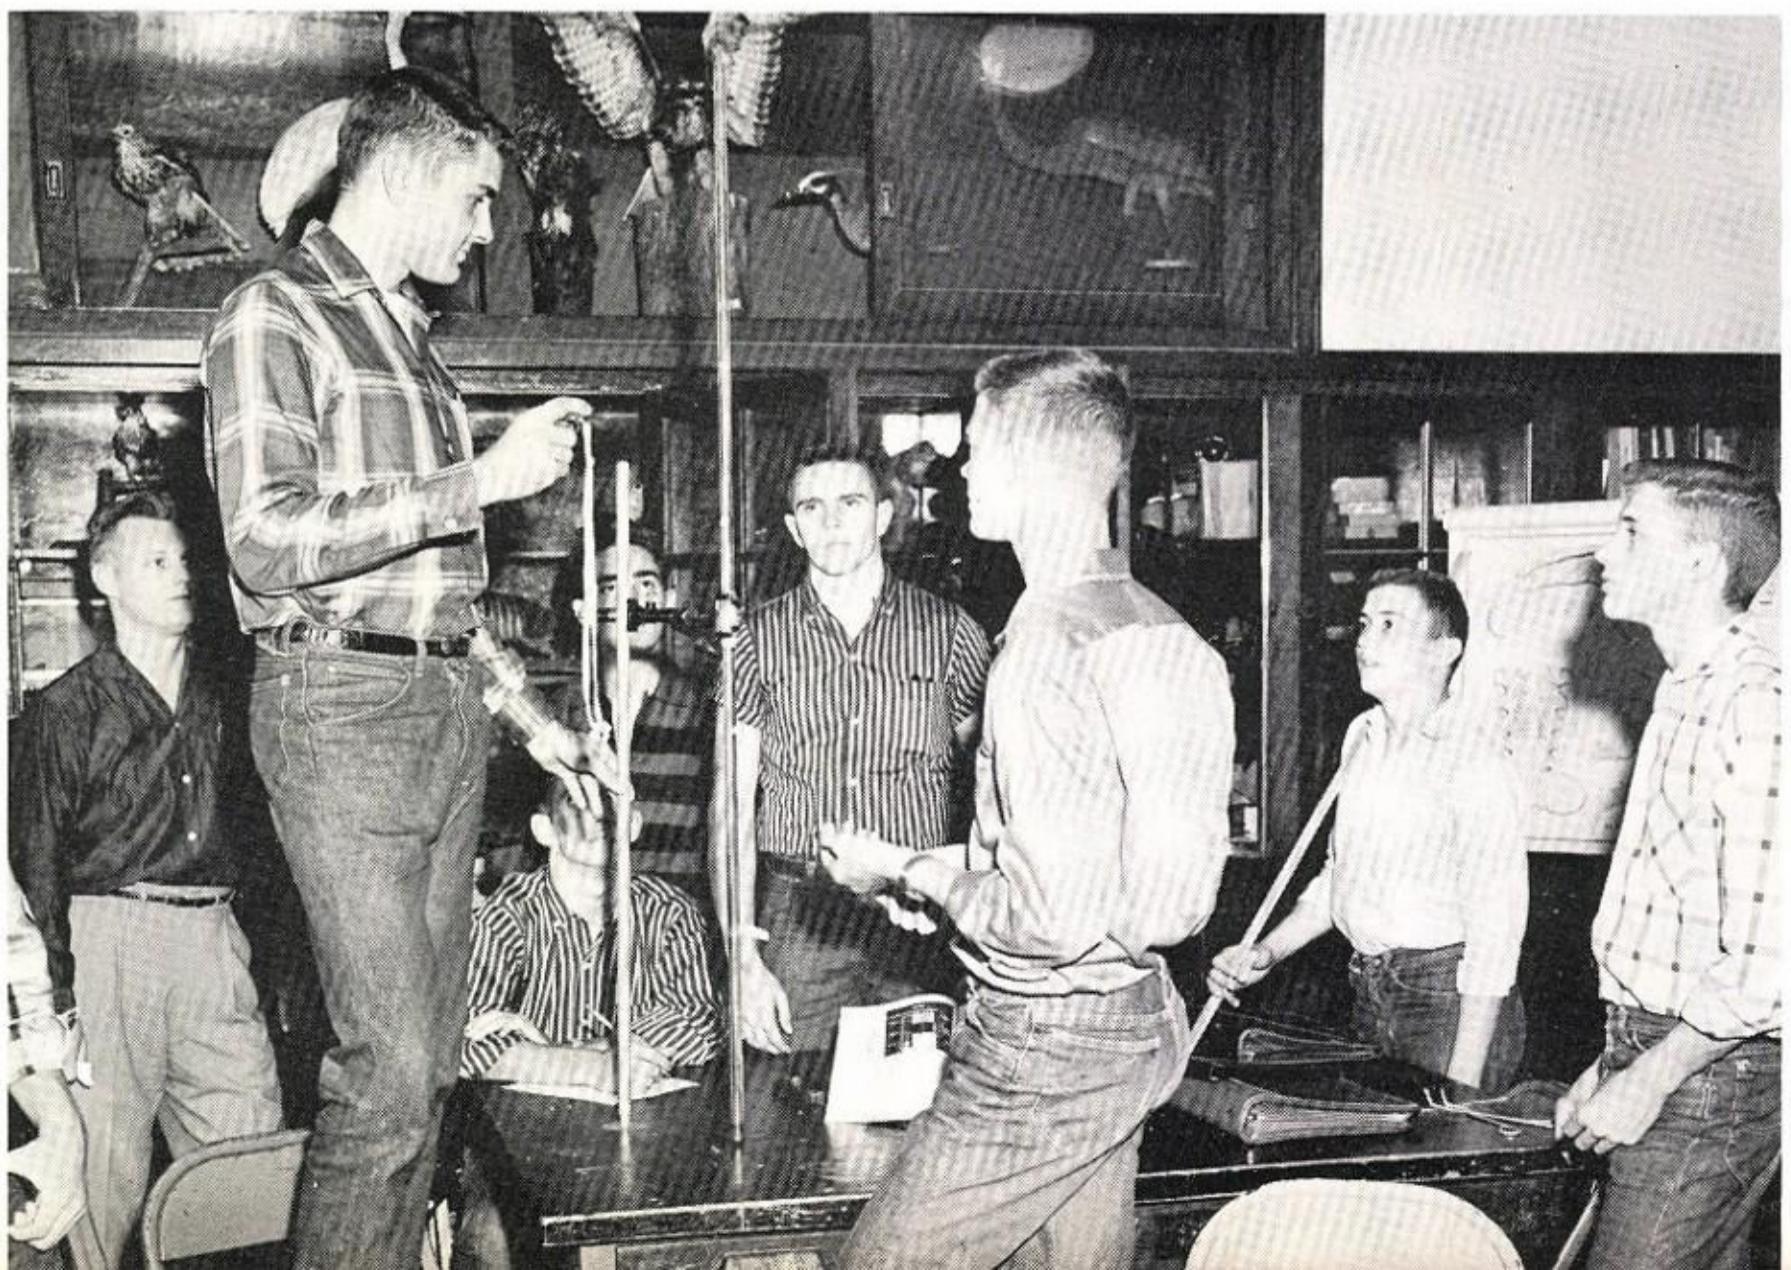

and schoolwork begins....

Our learning covers many phases of life -- First graders, David Linder and Jeannine Weldon learn about the living habits of the ants.

Occasionally there are slight changes in our reading materials -- aided by our instructors.

Experiments in Physics provide us with some interesting facts concerning the phenomena of the world in which we live.

Happy is the student who knows the Theorem assigned for the day - Judy Allison proves the point.

Those Photography students have it made -- nothing to do but "pose" while instructions are given.

From these hands in Shop Class come many a fine desk, with a secret compartment.

Jerry Davis, No. 32, scores for the Roughnecks, assisted by Pat Parrish, No. 54.

Tommy Jones will hold and Bob Wayt will kick on the try for extra point -- he made it!

Football In Th

Team work sets up another TD.

Captains Alexander and Wayt receive pre-game instructions from the officials.

Bob Wayt takes the sideline road to "pay-dirt."

Grace and Cherry chat with the Cheerleaders from Hawkins.

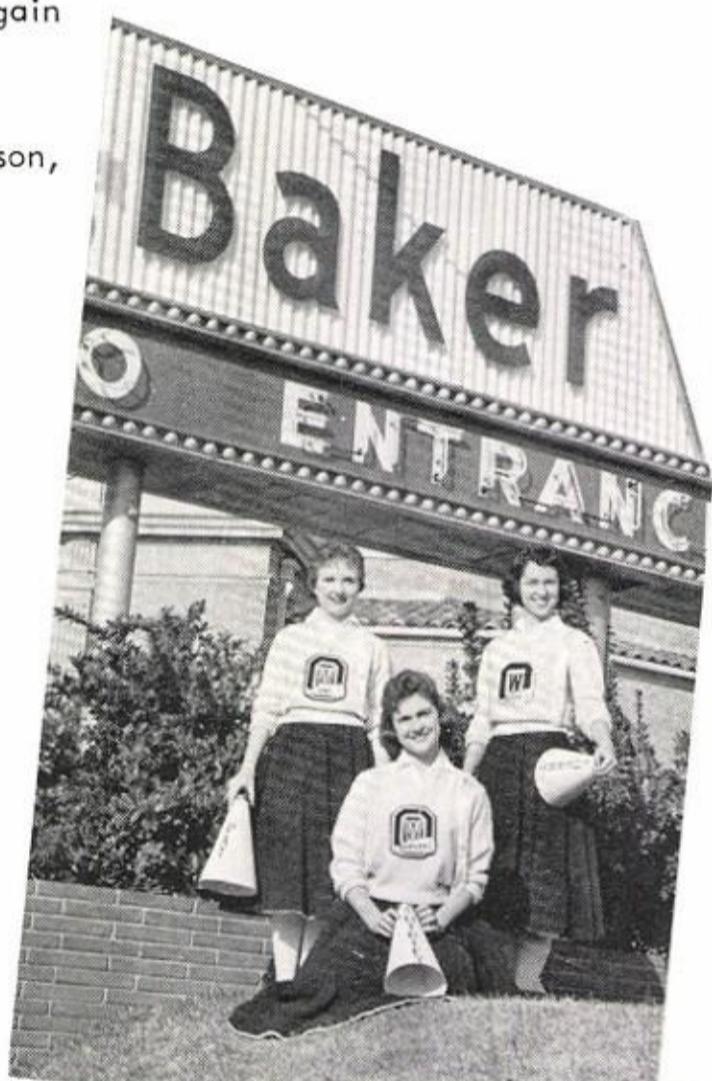

"Bruce is loose," again

Come on, Mrs. Thompson,
just a little wider....

Shirley, Pat, and Cherry stop over in Mineral Wells on the journey to Breckenridge to see the Roughnecks play those other Roughnecks from Sundown.

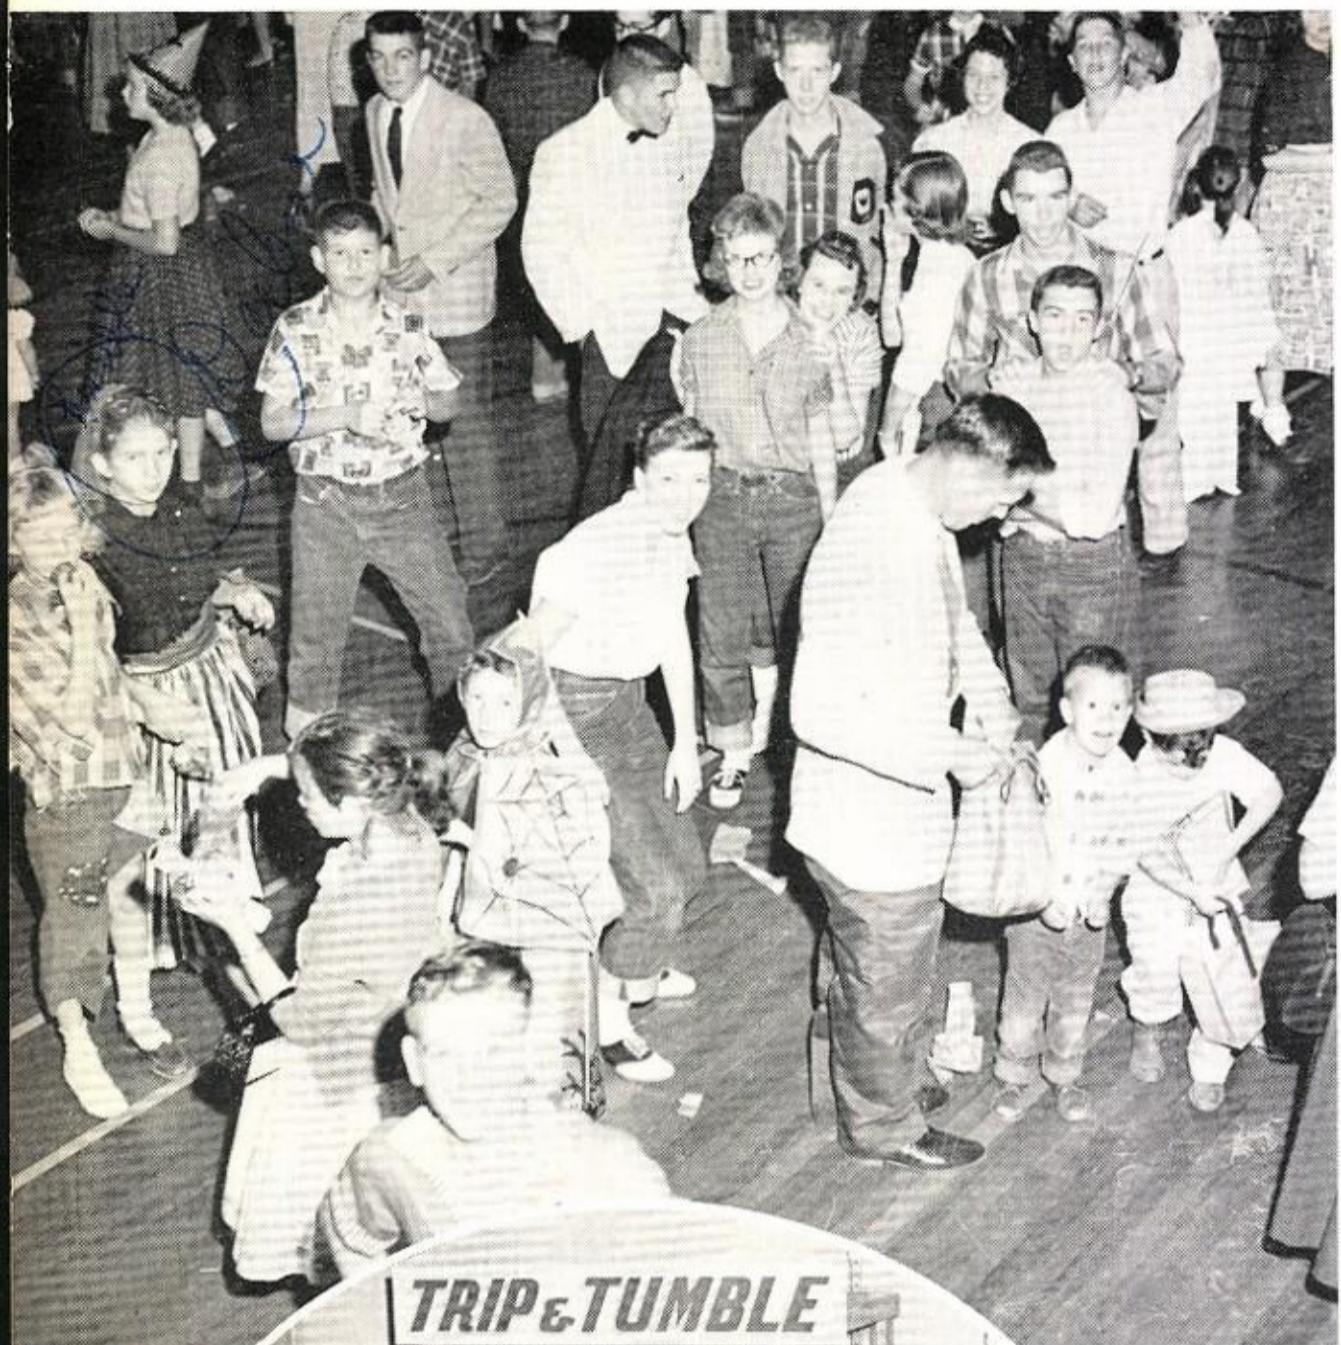

Throngs of White Oakians traveled to distant places as the Football season was extended week after week. The journeying ended at Waco where the Roughnecks thrilled their loyal supporters as they tied the Mart Panthers in the State Championship Game.

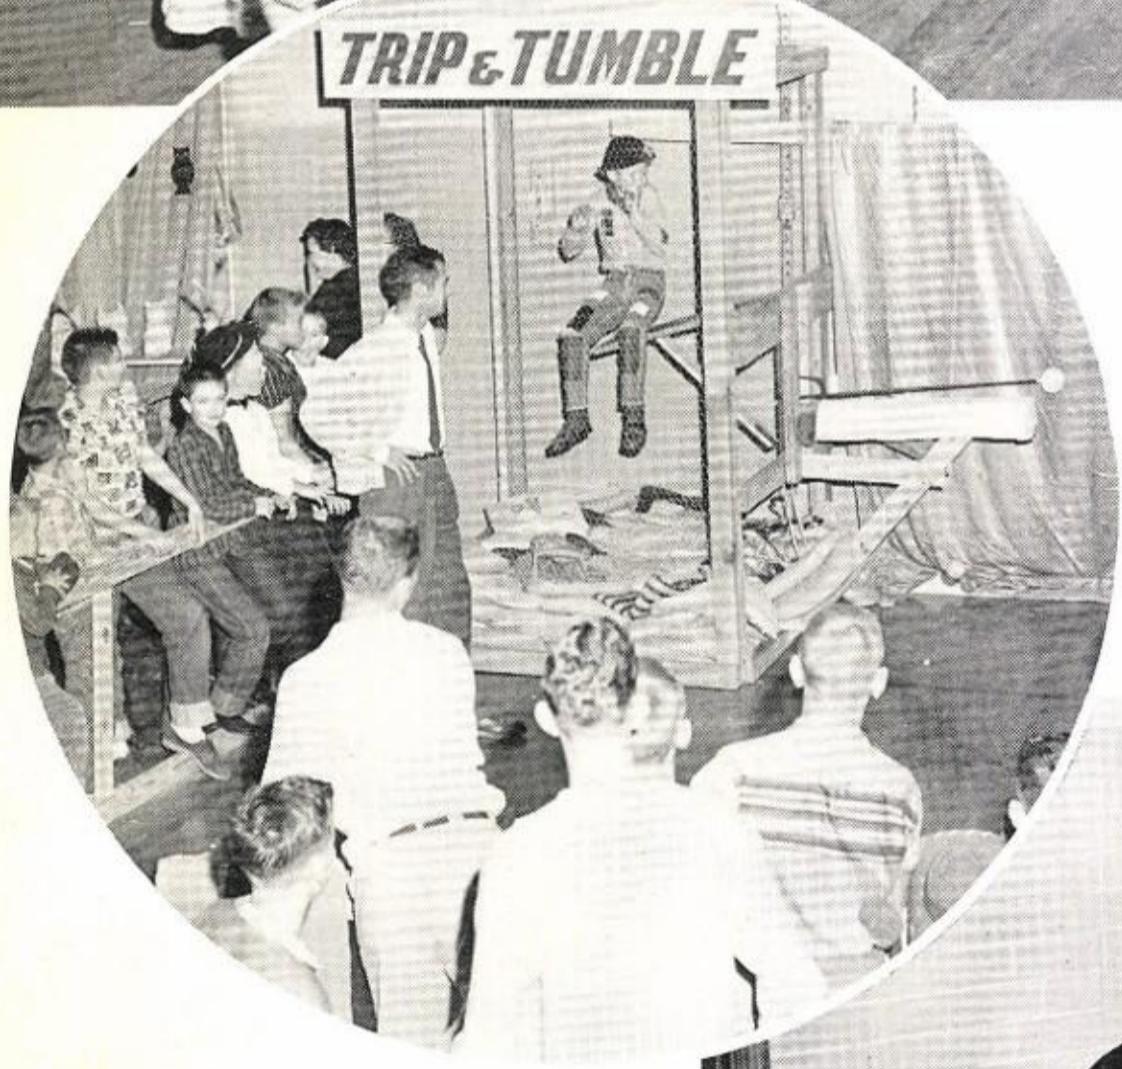

Carnival Time

is fun time for the kiddies

....parents and teachers extend their talents--

Mr. Marshall gets a lot of expert advice as he shops at the Country Store.

Oh, Mr. King! You missed me!

Look, Mommie, real ducks!

Ronnie Adams presents awards to the
Best Costume winners -- Marsha Her-
ron and David Powell.

Come one, Come all, There's fun for everyone!

Over here, Byron, we have.....

and the show goes on....

....as we go to the streets of New Orleans
with Sue, Joed, and Judy.

Mrs. Lacy and Miss McNamara supervise at rehearsal time....a little make-up really does wonders for you boys -- Sonny, Bob, David, and Billy.

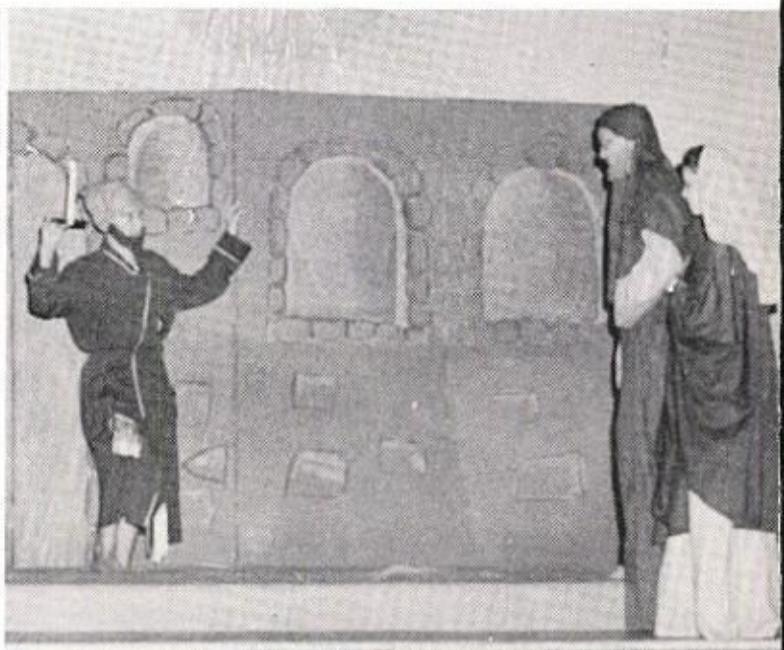

What's this? The crew from the Showboatwhy, it's just Judy Schrecker, Carmen Hodge, Princess Silvertooth, and Nancy Foiriestier.

Street cleaners arrive in the form of the Eighth Grade Speech Choir.

Christmas . . .

....brings a renewal of the old, old story of the birth of the Christ-Child. The students present a picture story as well as the story in song by the Choirs from Elementary and High School.

Need help with your Christmas shopping? Take a lesson from Ann, Pat, Charlcie, Sandra, Ellen and Kay -- they found their sewing lessons in Homemaking come in mighty handy.

Listen closely, Santa Jordan, while I give you a list of the things I want under my tree Christmas Morn.

The gang enjoys an old-fashioned Christmas Party

and Refreshment time is the best time of any party.

Ruffniks and Sputniks

are out of this world!

Ex-Coach Mullins returns to act as Master of Ceremonies for the annual football Banquet and to entertain all with his version of the State Championship Game when "Bruce Got Loose"....Gene King presents Coach Miles with autographed football....Captain Bob Wayt is privileged to honor the Team Sweetheart Judy Thompson.

Springtime will always bring memories of the Senior Trip taken in June of 1957. Recalling the fun on this jaunt to the Gulf Hills Dude Ranch in Mississippi, the Seniors remember that Miss White and Mrs. Hutchings were quite untidy. In fact, Mrs. Hutchings had to call for the assistance of Gene King and Phil McFarlin.

Graduation Day

Coaches Miles and Marshall give a few words of encouragement to both team and student body as the '57 Roughnecks leave for Waco to meet the Mart Panthers in the State Class "A" Finals.

It's a big day and a big season for this '57 Football Team -- the first in the history of White Oak to play in a State Finals, the first to win a State Championship -- sharing the Co-Championship with the Mart Panthers.

Shirley, a senior, served as Head Cheerleader for this quartet. The 1957 Football Squad provided her with ample opportunity to make use of her energy and express her exuberant school spirit.

GRACE McMULLEN

Grace, a senior, served her first year as Cheerleader. She is an outstanding participant in Girls' Athletics and her lively interest added zest to the Cheerleader group.

PAT YOUNG

Pat, a junior, served her second year in the Cheerleader ranks. The slow mannerisms used in expressing her enthusiasm and her "spray-net" are well-known characteristics.

CHERRY HANICAK

Cherry, sophomore, serving her first year as Cheerleader, always had ONE good reason for attending athletic events. Her loyal and enthusiastic efforts were rewarded as she was chosen Sweetheart of the 1957-58 Cage Team.

COMMERCIAL SUBJECTS

The Shorthand class is dominated by Senior girls. Here we see Shirley Smith, Grace McMullen, Judy Thompson, Joed Stites, Shirley Davis, Pat Greer, Charlcie Bristow (the only Junior), Ellen Elmore and Harlene Baird taking dictation from Miss Baker. Students in this department develop many skills which are beneficial whether they enter schools of higher learning or go directly into the business world.

The courses in Industrial Arts help to prepare students for a variety of vocations as they study Mechanical Drawing, Woodwork, and Metal Work. Individual projects are displayed at the annual East Texas Industrial Arts Exposition.

HOMEMAKING

Mrs. Hodson checks the hemline of Cherry Hanicak's dress before the final touches are made. A varied and active program of activities in this department provides for the learning necessary in the development of efficient homemakers.

SPEECH

All dramatic activities are under the direction of the speech department. Opportunities are provided for students to participate in various forms of speech experiences.

In addition to test papers, themes, and notebooks, there are moments of fun and frivolity in the life of a faculty member. Mrs. Tuttle proves the point as she "plays" at the Christmas party; Miss McNamara as she dodges the camera.

LANGUAGES

In both English and Spanish the students are being trained in the ability to speak, read, and write a language. A study of the literature and culture of the countries involved gives a better understanding of the language, its usage, and the people who speak the language.

Norma Hardwick does oral reading in an English II class in literature.

An open book lies horizontally across the bottom of the frame, its pages reflecting the scene above. The reflection shows a school hallway with wooden floors, red walls, and rows of desks. A clock hangs on the wall, and a door is visible at the end of the hall. The overall color palette is warm, dominated by reds and yellows.

... and only yesterday this
was a part of you.
